1. Executive Summary

1.1. Following the meeting of Cabinet on 17 February 2026 the executive recommends to Full Council for approval a balanced Revenue Budget for 2026/27 in line with the Local Government Finance Act 1992

1.2. The Mayor and Cabinet considered the proposed final 2026/27 Revenue Budget proposals and the proposed Capital Programme at a formal meeting of Cabinet on the 17 February 2026, considering the final Local Government Financial Settlement, which was published by the Ministry of Housing Communities and Local Government (MHCLG) on the 9 February 2026.

1.3. Council approval is sought for a final 2026/27 Revenue Budget, the Capital Programme to 2028/29, and the Council Tax for the 2026/27 financial year. The budget is based on an increase of 4.99% in Council Tax, made up of a 2.99% general Council Tax increase, and a 2.00% Adult Social Care Precept increase.

1.4. The Council must approve a balanced Revenue Budget and set the Council Tax for 2026/27 by 11 March 2026

2. Recommendations

For the reasons set out in the report and its appendices, the Mayor and Cabinet recommend Full Council approve in full the 2026/27 budget including to:

2.1. Note the conclusions of the Council's Interim Section 151 Officer in their Section 25 report (**Appendix A**) confirming the robustness of the Budget estimates and Medium Term Financial Strategy, the adequacy of the level of Council's Reserves and the Reserves Strategy, as required by Section 25 of the Local Government Act 2003.

2.2. Note the Final Budget Setting Report as approved by Cabinet on 17 February 2026 (Appendix AA), and subsequent amendments to the budget for presentation to Full Council as outlined at section 4 of this report which included updates to appendices as denoted in the Appendices Schedule.

In respect of the Capital Investment Programme 2026/27 to 2028/29

2.3. Agree the Capital Investment Programme of £292.978m in 2026/27 and a further £2,257.322m in future years along with the unchanged Community Infrastructure Levy (CIL) infrastructure list, as set out in **Section 8** and the Capital Investment Strategy **Appendices B**, **C(i), C(ii)** and **C(iii)**.

2.4. Delegate to the Section 151 Officer in consultation with the Statutory Deputy Mayor and Cabinet Member for Finance and Resources be

authorised to make additions and revisions to the 2026/27 Capital Programme where this does not result in additional borrowing requirement.

2.5. Agree to notify the Secretary of State of the plans to fund transformative expenditure to generate ongoing savings using the provision for Flexible Use of Capital Receipts as per **Appendix D**.

2.6. Agree the Treasury Management Strategy and Prudential Indicators as set out in **Appendix E and E(i).**

2.7. Agree the Annual Investment Strategy and Minimum Revenue Provision Policy as set out in **Appendix E and E(iii)** and

2.11. Note the Parking Revenue Account as set out in **Appendix H** and reported in **Section 10**.

In respect of the General Fund Budget 2026/27

2.12. Note that the Council has balanced its budget for 2026/27 as set out in **Section 4** and **Appendix I**.

2.13. Note the Proposed Budget Tables showing the Council's budget by Directorate and Service for the 2026/27 financial year in **Appendix I**.

2.14. Note that the level of the Dedicated Schools Grant (DSG), for 2026/27 has been set at £290.802m, and approve the local funding formula recommended by the Schools Forum in **Appendices J(i), J(ii)** and **J(iii)**.

2.15. Note the report on Budget Engagement as set out in **Appendix K**.

2.16. Having considered the cumulative Equalities Impact Assessment of the budgetary savings and growth as set out in **Appendix O**.

2.17. Agree the Budget Saving £54.178m and Growth proposals £59.860m to be made to the Budget for 2026/27 as set out in **Appendices L, M** and **N.**

2.18. Note the cumulative equalities impact assessment of the budgetary savings and growth as set out in **Appendix O**.

2.19. Note the Specific Revenue Grants Schedule detailed in **Appendix P**.

2.20. Agree the General Fund Net Budget requirement for 2026/27 be set at £520.897m for 2026/27 and the individual Directorate Budgets for 2026/27 as set out in **Appendix I**.

In respect of the Medium-Term Financial Strategy

2.21. Consider and approve the 5 year Medium Term Financial Strategy 2026/27 to 2030/31 in **Appendices R, R(i)** and **R(ii)**.

2.22. Notes the Budget pressures, risks and uncertainties as set out in **Section 16**.

2.23. Note the total Net Savings proposals of £89.812m, and growth proposals of £277.913m in the Medium Term Financial Strategy in **Appendices L, M** and **N**.

2.24. Note the forecast £46.077m savings required in years 2029/20 and 2030/31 to balance the MTFS dependent on future Central Government funding decisions as set out in **Appendix R(ii)**.

2.25. Note the review of Reserves including the forecast General Fund Balance and the forecast levels of Earmarked Reserves for 2026/27 in **Appendix T**.

2.26. Agree that the Section 151 Officer in consultation with the Lead Member for Finance and Resources be authorised if necessary to make revisions to the 2026/27 Budget relating to any other funding announcements made after Council has agreed the recommendations, subject to this not impacting on the recommended 2026/27 Council Tax increase.

2.27. Note the Council Tax Scenarios and the impact on the Budget Gap in each year as in **Appendix S**.

2.28. Agree the Chief Officers' Policy Statement as in **Appendix U**.

In respect of the Council Tax 2026/27

2.29. Agree an overall 4.99% increase in the Council's element of Council Tax for 2026/27, made up of:

- 2.00% as a precept for Adult Social Care; and
- 2.99% General Council Tax increase.

2.30. Agree, having taken into account the outcome of the statutory consultation process, to implement the Council Tax Reduction Scheme as set out in **Section 14**.

2.31. Agree the Council Tax Base for the year 2026/27 as calculated in accordance with the provisions of the Local Authorities (Calculation of

Council Tax Base) (England) Regulations 1992 as amended and made under Section 31B of the Local Government Finance Act 1992, (referred to hereinafter as "the Act").

3. Background

3.1. The Interim Section 151 Officer, as statutory officer, is required by statute to advise members as part of the annual budget-setting report on the robustness of estimates and adequacy of reserves, that the Council must have regard to when setting the budget and Council Tax. This assessment is detailed in Appendix A.

3.2. In summary the final 2026/27 Budget proposals balances; significant ongoing demand led, demographic and inflationary pressures of £59.860m; with total savings of £55.747m; and additional income, mainly because of the government's Fair Funding Review increases of £44.293m. A balanced outturn

position requires the delivery of *all* the savings set in this report to time, value and profile.

3.3. The impact of the Fair Funding Review is significant. According to the PLGFS Newham will, by 2028/29 attract £123.979m more per year than the baseline of 2025/26. The report sets out the main changes in funding allocation that have impacted Newham, namely updated population and income deprivation data being used in the formulae.

3.4. Exceptional Financial Support from central government to balance the proposed 2026/27 Final Budget is **not required** in the form of Capitalisation Direction (using Capital receipts) or additional Council Tax increase to achieve a balanced Revenue position. This means that the Council will not be selling assets to fund the ongoing costs of delivering services, as it now has a **Sustainable Balanced Budget for the next 3 years**, and a sustainable approach to a new 5-year Medium Term Financial Strategy approach.

3.5. Whilst robust and achievable the budget is not without risk and so the **Council has also addressed Financial Sustainability and Resilience** in this Budget including increases to General Reserves and Contingency at minimum of 10% and 2% of Net General Fund Revenue Budget respectively over the MTFS period. This is the Council's financial safety net and last line of defence

3.6. The budget addresses Financial Sustainability in the 2026/27 Budget and MTFS and will continue this Financially Sustainable position, balancing its Budget in a sustainable way for 3 years – 2026/27, 2027/28 and 2028/29. This budget demonstrates the improvement made to establish Financial Sustainability and stability as required by MHCLG in its non-statutory Best Value Notice to the authority in May 2025[1].

3.7. Council Tax income will rise by £11.018m under this proposed budget. This is made up of increases in the number of homes in the borough, known as the Council Tax base, the reduction in support in the Council Tax Reduction Scheme, and the proposed increase of 4.99% Council Tax made up of 2.99% for General Council Tax, and 2.00% for the Adult Social Care Precept

4. Changes from the Cabinet Report

4.1. A number of changes have been made to the budget as published and agreed by Cabinet on 17 February 2026 which are outlined here. These changes do not substantially alter the overall budget but rather address points of detail within, as outlined below. Appendices impacted are labelled as "(updated)" in the appendices schedule at the front of this report.

4.2. Levies –are determined by the Levying body and as such once agreed can differ from amounts budgeted. Actual allocations have been announced - the differences will be managed within the Corporate budgets. The Levy announcements are as follows:

4.6. Council Tax GLA – The GLA precept by banding for Band F, G & H has been adjusted. Whilst this does not affect the budgets, the appendix has been amended to reflect the correction. (See Appendix Q – *updated*). THE GLA

precept is subject to agreement at the London Assembly plenary meeting on 26 February at which the Mayor's final draft budget is due to be considered and therefore may be subject to change.

4.7. Sales, fees & Charges – some new fees have been introduced in community halls that have now been added to the SFC schedule (See appendix G - *updated*). There is no impact on the budgets.

5. Budget Engagement

5.1. Engagement on the budget options and proposals followed the October Finance Review report received by Cabinet in October 2025. It continued through to the end of January 2026. The Budget Engagement Report appended to this report describes the activity and findings of all the engagement activity. See **Appendix K.**

6. Delivering Council Policy and Corporate Priorities

6.1. The Council's budget allocates resources so that directorates can deliver the Council policies and corporate priorities as set out in the Building a Fairer Newham Corporate Plan. There is clearly an interaction between prioritisation and decisions on savings and growth, so the budget reflects updated priorities.

7. Alternatives Considered

7.1. This report contains proposals which achieve a balanced budget for 2026/27. Prior to the final budget setting at the planned full meeting of the Council, alternative proposals can be considered, but the end result, must provide a balanced budget for the coming financial year.

8. Consultation and Scrutiny

8.1. Cllr Zulfiqar Ali, Lead Member for Finance and Resources, July 2025 to February 2026.

8.2. Mayor and Cabinet, December 2025 to February 2026.

8.3. Budget Scrutiny Commission January 2026.

8.4. Overview and Scrutiny February 2026

9. Implications

9.1. Finance Implications

9.2. Financial implications are covered throughout the main body of this report and also in **Appendix A**, which provides the statutory advice of the Section 151 Officer. This advice is known as the Section 25 Statement.

9.3. In summary; the advice of the Council's Interim Chief Finance Officer (Section 151 Officer) in their Section 25 report, relates to the robustness of the Budget estimates and the adequacy of the level of Reserves for 2026/27, as required by Section 25 of the Local Government Act 2003.

9.4. The responsibility of Council Members under Section 31A of the Local Government Finance Act 1992, to have regard to this 'Section 25 Statement' (**Appendix A)** when making decisions on agreeing the Budget and setting the Council Tax for the financial year 2026/27.

9.5. **Legal Implications**

9.6. The Council is required under Part 1, Chapter III of the Local Government and Finance Act 1992 (the 1992 Act) to set a council tax for the forthcoming year and confirm its budget estimates. In accordance with Section 30(6) of the 1992 Act, the decision must be made before 11 March of the preceding year (i.e. by midnight on 10 March) but is not invalid merely because it is made on or after that date.

9.7. Each Member has a positive duty to ensure that the Council complies with its legal obligations, to set a lawfully balanced budget. In doing so, the Council's prospective expenditure must not be likely to exceed its resources available to meet that expenditure.

9.8. The Chief Finance Officer has a legal duty to report to the Authority on the robustness of the estimates made for the purposes of the calculations and the adequacy of the proposed financial reserves. Cabinet must consider the Chief Finance Officer's advice in this regard, when determining whether the proposals should be recommended to Council for approval.

9.9. The approval of the budget and calculation of council tax is a decision reserved to (Full) Council under Section 67(2)(b) of the 1992 Act. Should Council seek to reject or vary the budget in any material respect (in a way which is contrary to the 43 Executive's recommended budget), then the statutory process set out in Part 4.3 of the Constitution must be followed.

9.10. Cabinet and Council, in recommending and then setting the Council Tax, must have due regard to the impact those decisions will have upon the Council's statutory public sector equality duty as set out below.

9.11. In considering the recommendations in this report, Councillors must have due regard to the Sector Equality Duty as part of their decision making.

9.12. In accordance with s106 Local Government Finance Act 1992, a councillor is not able to vote on the financial arrangements relating to council tax if they are two months or more in arrears of their own council tax.

9.13. **Equalities Implications**

9.14. The Public Sector Equality Duty (PSED) under Section 149 of the Equality Act 2010 requires the Council, when exercising its functions, to have due regard to:

- the need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act 2010;
- the need to advance equality of opportunity between persons who share protected characteristics and those who do not, and;
- foster good relations between those who have protected characteristics and those who do not.

9.15. 'Protected characteristics' are: age, gender, race, disability, sexual orientation, marriage and civil partnerships, religion or belief, pregnancy and maternity and gender reassignment. The Council also recognises socio-economic disadvantage, care experience and health and wellbeing status as additional characteristics.

9.16. Any budgetary decisions which subsequently need to be taken should be made in accordance with the duty set out above.

9.17. Due regard means giving proper and focussed consideration of the impact of the decision on meeting its equalities duties. The primary focus should be on any adverse equalities implications that will arise from a decision and how they can be avoided and / or how they are mitigated in the decisions. The amount of focus on the duties will vary with each decision and how far they adversely impact on protected characteristics.

9.18. Members should note that budget decisions on services form only an allocation of funds to a service or area; they do not constitute the final decision on service delivery. Where changes to service delivery are proposed by budgetary changes, a full equalities assessment will be undertaken before the final decision is made by Cabinet. It is to be noted that the Mayor and Cabinet have stated that for the purposes of the Budget setting process for 2025/26 and the MTFS period enhanced diligence will be applied to saving proposals brought forward for consultation, engagement and approval.

9.19. **Cumulative Equalities Impact Assessment**

9.20. **Appendix O** provides a full cumulative equalities impact assessment of this budget, following individual assessments of each savings proposal in the draft budget.

9.21. It is up to decision-makers to balance the equality implications of all the proposals against other factors including the Council's difficult budgetary pressures. If decision-makers believe they need more information regarding the

equality implications of a specific proposal before making a final decision on whether to approve a proposal, this should be indicated to lead officers.

9.22. Decision makers should note the analysis for some proposals is indicative at this stage. Once proposals are finalised, the likely equalities impacts will need to be reviewed considering any changes made or additional information that has come to light. Some proposals may have further cabinet papers produced over the financial year; following statutory consultations for example, where more in-depth equality implication reports must be presented.

9.23. **Climate Implications**

9.24. This report will not materially directly impact the Council's response to the Climate Emergency as iterated in its Just Transition Climate Action Plan, published in December 2023, but subsequent decisions on resource allocation could do so.
